

REMARKS

While Applicants do not agree that a complete listing of claims is required by the rules governing reissue applications, Applicants have nevertheless submitted a complete listing of claims pursuant to receipt of the Failure to Acceptably Respond to Notice of Non-Compliant Amendment mailed August 16, 2005, in order to advance the examination of the application.

Applicants believe that all of the claims are now allowable. A notice to this effect is respectfully requested.

Respectfully submitted,

Dated: September 14, 2005
